

2021-2022 OFFICERS

Derek Wang

Hello everyone! I'm Derek Wang, a junior, and the current president of Music4America. I have been playing the piano since I was three and have been teaching it for around two years now. Music has always been a major part of my life and I'm more than excited to have the opportunity to be leading a club which revolves around using music to better the lives of others around us. Outside of school I like to play soccer, read, and spend time with friends and family.

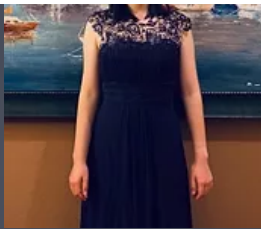

Joy Sun

Hi! My name is Joy Sun, and I'm the Vice President for Music4America. I'm currently a junior at Dougherty Valley High School. In my leisure time, I like to draw and listen to music. I also enjoy playing the violin and hanging out with my friends. As an officer, I genuinely hope that everyone will enjoy the events we coordinate and make M4A better together :D

Victoria Liu

Hi friends! My name is Victoria Liu and I am a vice president for Music4America. I've been part of this

organization for more than 4 years and I've participated in many M4A events, including making COVID-19 PPE, performing at the fundraising concert (which I hope to bring back this year!), and compiling senior center videos.

As for my superlatives, my favorite foods include having boba, pumpkin pie, and shrimp (but not all together at once), and some hobbies that I've picked up during quarantine include listening to podcasts, learning about houseplants (perhaps an obsession), and baking -- bread, deserts, savory food, you name it!

Nowadays, you can find me practicing piano for fun (as I've already completed MTAC Level 10), tutoring music students, and singing to my heart's content. Nice to meet y'all!

Joanna Chu

Hi! My name is Joanna Chu, and I am one of M4A's Vice Presidents and the Director of Visual Design. I am sixteen and a junior currently enrolled at Amador Valley High School. I've been a part of M4A for about five years, participating in and leading many events and activities.

I have been playing the piano for around eleven years, as well as singing for nine years. In elementary school, I sang in a large choir. When I was ten, I joined an ensemble of four singers. Eventually, I started to sing independently. I tested for the Certificate of Merit for both instruments (completed Level Seven for piano and Level 10 for voice), and I currently attend vocal competitions.

Apart from singing, I love to do art as well. I started to attend art classes when I was a toddler and I still love to draw and paint!

Maya Lu

Hi! My name is Maya Lu and I'm 15 years old. I am the treasurer at Music4America. I play piano (MTAC Level 10) and like to sing. I also really enjoy listening to music. Some of my hobbies include baking and watching movies and tv shows. My favorite movies are the *Lord of The Rings* series and I love the books as well. I have a dog named Angel and a brother named Evan. Angel is a Yorkshire terrier and is super cute. Evan is a 6th grader and is not super cute.

Marina Wang

Hi! My name is Marina Wang, and I am a junior at Amador Valley high school. I am currently the secretary and band leader of Music4America, and this is my third year in M4A. I play flute in the M4A band, and I have also participated in the choir as well as many other M4A events such as instrument tutoring, making COVID test kits, and making senior center videos during quarantine. I have played flute for over 7 years, and I have learned piano for 9 years. Some interesting facts about me are that I love to read, crochet, and paint, and I also love playing with my dogs. I hope to have a great year with Music4America!

Olivia Phongsas

Hello! I'm Olivia Phongsas and I am a junior at Dougherty Valley High School. I'm the event coordinator this year, and really looking forward to it! I've been a member of M4A for a few years now, and it's been exciting to watch it grow bigger as a club but closer as a community. Even as a member, I have always felt that M4A does so much more than just music-related activities. I am not only a part of the M4A orchestra as a violinist, but I also had the opportunity to help out with M4A's math club, as well as make and donate cotton masks for senior centers. I can't wait to start helping out with M4A activities as an officer this year.

I've played the piano for over ten years, been in my school's band for more than six years, and first participated in Music4America almost four years ago. Music and video production both bring joy to me, so it is no surprise that I am extremely pleased to be M4A's Director of Video Production this year.
